## **ALERT: COVID-19, CORONAVIRUS UPDATE**

As a result of the federally declared emergency due to COVID-19, the LBHA Offices are closed to the public until March 30. The health and safety of residents and staff are our primary concerns. Most staff will be working remotely and are available to return calls. Housing matters call the site manager directly. Emergency work orders for residents will be addressed as soon as possible. Information will be posted to the LBHA website and updated as time progresses.

The Authority will be communicating through phone calls, emails and updates on our website, [lbhousing.org](http://lbhousing.org), as necessary. Please be sure to add [lbhousing.org](http://lbhousing.org) to your address book to ensure you're receiving the most up-to-date information.

Thank you for cooperation during this time of emergency.
